**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For years I was one of the million people who were being held ransom by big cable. I felt hopeless, no way out, stuck in this thankless and demeaning relationship for eternity. And then the bright beacon of hope came to us in the body of Sonic. We could not be happier, and I would HATE to see money win over the well-being of the general public at large. AT&T and the other superpowers CANNOT win this case. It will only serve to hold the American public ransom. I implore you to keep our freedom of choice open and oppose this challenge from the greedy companies in question.
